TYPES OF PRINTING

SCREEN PRINTING

DIRECT TO FILM

SUBLIMATION

SCREEN PRINTING

- ✓ Results in a slightly textured feel, as the logo ink sits on top of the fabric, adding depth to your designs
- ✓ This method works best for logos with fewer colors, making it an ideal choice for simple, striking designs
- ✓ Effective on all colored fabrics, allowing for a wide range of apparel to be customized
- ✓ Minimum order of at least 24 units based on art complexity and number of placements
- ✓ Set up fee starts at \$95
- ★ Most popular printing option

DIRECT TO FILM

- ✓ Creates a transfer of your logo that is pressed onto the fabric, ensuring a smooth finish
- ✓ Excels with intricate logos that use multiple colors, allowing for detailed and vibrant designs
- ✓ Works effectively on a wide variety of colors and fabric types
- ✓ No order minimum
- ✓ Set up fee starts at \$95

SUBLIMATION

- ✓ Logo ink is embedded into fabric becoming part of the fibers and smooth to the touch
- ✓ Works best for logos with many colors
- ✓ Best suited for polyester and white or light colors, not recommended for dark colors or other fabrics
- ✓ No order minimum
- ✓ Set up fee starts at \$45

CUSTOM EMBROIDERY

- ✓ We create high-quality embroidery files from logos, transforming it into eye-catching embroidery
- ✓ Can be applied to a wide range of items, including hats, polos, chair covers, beach towels, and more
- ✓ Wide range of stitching options, including metallic, reflective, and any color thread you desire
- ✓ No order minimum
- ✓ Set up fee starts at \$85

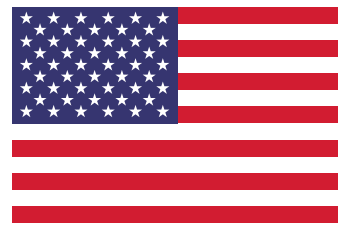

HAT DECORATION

- ✓ Direct embroidery is best for bold designs with a medium level of detail
- ✓ Puff embroidery gives your design a 3D effect, where the stitching is raised
- ✓ Custom patches are a great option for intricate, high-detail designs that direct embroidery can't capture
- ✓ Poly press provides a multi-dimensional, raised look that is available in a metallic or non-metallic finish
- ✓ Embroidered hats have no order minimum
Other decoration methods have a 48 unit minimum
